## INTERIORS

For a refined gentleman's bath, choose vanities of furniture-quality dark wood and combine them with solid black-gray marble countertop and floors. Brass hardware and fixtures complete the look.

Whether grand or tiny, your home can exude both refinement and good taste with the right mix of furnishings and fabrics, colors and textures. Let *Elegant Interiors* show you how to create a graceful look in a style that suits you.

- Includes advice on how to choose subdued tones and subtle textures for classic grace
- Offers tips on making large statements with small moves, such as adding the slightest touch of gilt—a detail on a mirror edge, a fine thread in pillow fabrics—to make a statement without being overpowering
- Reveals how to achieve a dramatic effect by using recessed lighting or applying jewel tones to walls and upholstery
- Provides ideas for creating the look of fine furniture without sacrificing function by choosing lustrous wood cabinetry and marble or polished granite counters for kitchen and bath

With over 100 color photographs of interiors by noted designers, *Elegant Interiors* provides guidance and inspiration for achieving a look of distinction in every room of your home.
